

STATEMENT OF POLICY

INSTALLATION / PLACEMENT OF STREET LIGHTS

The following represents the Town of Bancroft's policy in the matter of the installation and placement of street lights in the Town of Bancroft.

1. Where street lights are deemed necessary, lighting shall be provided on every second pole.
2. Any further requests for street lighting shall be dealt with on an individual basis.

GENERAL:

All requests for street lighting will be processed through the Office of the Chief Administrative Officer and approved by Council. Such requests shall be in writing and identify the location of the street light installation. Subsequent to Council's approval, the Chief Administrative Officer shall advise the Bancroft Public Utilities Commission, in writing, to proceed with the installation.

(accepted by Council – April 15/98)
